

**RSE «Research Institute for Biological Safety Problems» of the Science Committee of the
Ministry of Education and Science of the Republic of Kazakhstan**

INFORMATION LETTER

Dear Colleagues!

The RSE «Research Institute for Biological Safety Problems» invites you to take part in the work of the online International Scientific and Practical Conference «**Modern Challenges for Biotechnology, Veterinary Medicine and Medicine**».

The conference is planned in the following areas:

1. COVID-19: epidemiological, diagnostic data and researches
2. Medicine
3. Veterinary medicine
4. Phytosanitary
5. Biology
6. Ecology
7. Biotechnology
8. Biological safety and biosecurity
9. Molecular biology and genetic engineering.

Researchers, undergraduates, graduate students, PhD students, production practitioners, representatives of specialized structures of the Republic of Kazakhstan, the CIS countries and foreign countries are invited to the conference.

Conference working languages: Kazakh, Russian, English.

Form of participation in the conference: remote participation, publication without a report.

The deadline for submitting articles is May 25, 2021.

The registration fee for participation in the conference for citizens of the Republic of Kazakhstan is 1 MCI, for authors from foreign countries - \$10 US with the right to receive an electronic version of the collection of materials.

Bank details for participants:

Beneficiary: RSE at REM “Research Institute for Biological Safety Problems” of the Science Committee of the Ministry of Education and Science of the Republic of Kazakhstan

Beneficiary's Bank: “Halyk Bank of Kazakhstan” JSC

BIC of bank: HSBKKZKX

BIN: 061040004937

IIC: KZ656010131000155334 (KZT)

KZ766010131000133020 (USD)

BC: 16

PPC: 859

Payment destination: Publication of an article in the Proceedings of the International Scientific and Practical Conference

Article Guidelines

The document must be in MS Word format (Microsoft Word 97/2000 (XP / 2003-2010), font: Times New Roman Cyr, KZ Times New Roman, line spacing 1.0, size - 12 pt. All margins - 20 mm, justified, first line with an indentation of 1.25 cm, portrait orientation (including tables, illustrations). The length of article is 4-5 pages (including pictures), the page size is A4. Drawings are as an object embedded in the text. Reference numbers must be in square brackets linked to the corresponding sources in the reference list. The title of the article - new line, bold, centered. Above the title of the article at a distance of one interval indicates the DOI. Under the title of the article the initials and surname of the author (s), scientific degree and scientific title, position, full name of the organization in which the work was performed, city, e-mail (font - italics) are indicated through the center of the article. Under the information about the author, skipping one interval, a brief summary of the article is given in the language of the article and then an abstract in English is below it. Interval from annotations - the main text of the article.

REGISTRATION FORM

International Scientific and Practical Conference «Modern Challenges for Biotechnology, Veterinary Medicine and Medicine».

The completed registration form should be sent to the Organizing committee (only by e-mail)

Full name	
Scientific degree, title	
Place of work (study)	
Position	
Mailing address	
Telephone: work mobile	
Name of article	
Section	
The need for a participation certificate
